

# RPC Fall 2017 Newsletter

**We are giving flu vaccines to patients who are 6 months and older and parents.**

We are offering injectable preservative free quadrivalent vaccine to our patients and parents. We are not offering flu mist to our patients this year. The CDC released an advisory that the flu mist has proven to be minimally effective against protection from the flu.

If you have been to our office for an appointment since April of this year, you are aware that we are now using Phreesia, an electronic check-in system, for your child. You will receive an appointment reminder via e-mail for your child's flu vaccine as well as a flu questionnaire. You will only need to verify your insurance and complete the flu questionnaire prior to your visit.

In order to expedite your visit, **we urge you to complete the pre-check and flu questionnaire PRIOR to your visit.**

September is Childhood Cancer awareness month and RPC is super excited to team up with [#Coins4CURE](#) again to help support CURE Childhood Cancer by participating in their coin drive.

Back by popular demand we have already started our "Pie in the Face" contest! Next time you are in, please consider making a \$1 donation to your favorite doctor, nurse practitioner, medical assistant, or staff member. The person with the most votes get a pie in the face, which will be posted on our page for your viewing pleasure!!! All donations go directly to CURE.

We have coin jars set up at each Front Desk the entire month of September for patients, parents and staff to donate coins. So go home, check under your couch cushions and in your car cup holders and bring in your coins. Dollar bills are also welcome!

RPC is participating in a FOOD DRIVE for North Fulton Community Charities. We will be accepting your donations of non-perishable foods at all 3 offices from October 2<sup>nd</sup>- November 16th. Thank you in advance for your generosity in helping those in need.

We are happy to once again be a part of Clark's Kids this year. This organization donates toys to children and youth in Georgia's foster care system. If you would like to help make the holidays brighter for these kids, please bring a new unwrapped toy to any of our offices between November 1st - December 7th.

Thank you again for voting us the Best Pediatric Practice of North Fulton and South Forsyth!

Our providers and staff take great pride in offering outstanding care to our patients and to their families. We are honored by your support of our practice as we continue to serve families in our community.

### TIME FOR A CHECK UP!

Don't forget to schedule your child's annual well visit. If you are bringing in a sports form, please fill out the history portion before your child's appointment so we can complete the form during your visit.
